

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

30 March 1982

NOTE FOR: Richard Lehman
Vice Chairman, NIC

FROM : MG Edward B. Atkeson, USA
NIO/GPF

SUBJECT : NIO Travel

Attached is the justification you requested for the trips which Harry has approved for me. We had \$5,000 dollars set aside for an orientation trip to Europe, but I believe the trips outlined here are more pressing and important this year. I hope this is sufficiently persuasive for your purposes.

Edward B. Atkeson
